'Keep on Keeping on'

*For 191 years this old building has stood
Our forefathers built it with muscles and wood.
So many preachers great and small
Have shown us the way, between these walls.*

*As the candle lights were burning many years ago
A bright light is burning as onward we go.
Covid closed many churches in its way
But God willing, Ours is here to stay!*

*Let us cherish the memories we hold dear
And embrace the future without fear.
For the foundation we've built solid and strong
Will carry us forward where we belong.*
