## A LOOK BACK...

*This church once had  
a balcony, right at the  
back of the sanctuary!*

*Originally, the entrance to  
the church was a tall,  
outside staircase, which  
opened into the main lobby  
area. Straight ahead,  
through large double doors,  
was the sanctuary. (where  
the entrance and staircase  
going downstairs sits now.)  
To the left, behind a wall,  
was a spiral staircase  
leading up to the balcony,  
and beside that, a spiral  
staircase down to the  
basement.*

*In 1981, an extension was  
added to the front of the  
building, how the front still  
looks now. Extra room  
space, an attic, and better  
access from upstairs to  
downstairs, with a proper  
foyer, was the result.*
